UGH - MY BUSINESS NEEDS:

1

An information storing place

Need to preserve...

101 lawyer jokes from the boys in acct.

My 37-point plan to begin manufacturing spats and/or dickies

ah, the good old days

CRUCIAL SUCCESS FACTORS

Accessibility

Build it and they will come

I need an adaptable online community

Security

Fort to the ~~KNOXS~~ Knox

where can I get one of those brief cases w/ the hand-cuffs?

we're talkin' Walker Texas Ranger

I need a SECURE online community

2

To buzz up the bizz

Release the bees

What about an online community?

I'd need...

ⓐ Customer service reps

ⓑ Knowledgeable users

(Knowledge is power!)

ⓒ Undeniable sex appeal

3

Better, more efficient customer service

SIGH

[MAGIC 8 BALL!]

"outlook not good."

[Ruh-roh]

There's always India...

WHO CAN DO THAT?!

FGSQUARED

so a lawyer walks into a bar and says, "Do you serve ambulance chasers?"
